

Service	Description	Price
Web Page Layout	Includes consultation (to make sure we know what you're looking for in your new web page design). Also includes navigation menu, navigation graphics (if necessary), search engine friendly web pages, search engine submission, and a place for your logo to be integrated. Includes 3 Pages Sometimes a basic layout is all you need.	\$199
Additional page creation	Once we have your web site layout completed, adding additional pages to your site is easy. Price difference depends on how much text and graphic sales copy you provide and how much you need us to provide.	\$25
Graphics Creation	Custom graphics creation for your banner, button, or print design needs.	Call for Custom Quote
Logo Creation	We can have our trained artists create a logo for your business that will stand out above the rest. Includes initial consult, preview, and 1 revision. If you have an existing logo, we can incorporate it into your web design for no extra charge.	Call for Custom Quote
Site Maintenance	Keep your website up to date. Change pricing, monitor web traffic, add new text, add links to new services and related sites. One hour of work covers most basic tasks that may need to be done to your site.	\$15.95 per month (includes one hour of work per month)
Web Hosting	Web hosting on our dedicated servers. Includes storage space for your website files, email addresses, site backups, ftp access, traffic statistics, php, cgi, mysql.	From \$15 to \$30 a month
Domain Name Registration	Registration of your own .com, .net, .org, .info, .us, or .biz domain name. This is a yearly fee that covers full ownership of your own domain name. Not all domains are available and some domains may have an increased cost	\$15.95 per year
Email Accounts	We will create email addresses with your domain name. Domain Name Registration Required.	\$25.95 (10) \$15.95 (5)
